

Join Friends of Deer Lake today

Like many Lake Conservation Associations in Almaguin and Ontario, The **Friends of Deer Lake** want to keep our lake clean and protect its fragile eco-system.

As a Conservation Association within an Unorganized Township, the **Friends of Deer Lake** represent a strong community of concerned citizens. Our collective views provide a common voice when dealing with the Planning Board, Ministry of Natural Resources, Fisheries and Oceans, and working with other municipalities and organizations.

Our goal is to protect and maintain the beauty of Deer Lake, and provide education and benefits to our members. Membership in **Friends of Deer Lake** is open to both owners and visitors of Deer Lake.

Benefits & Goals

- ✓ Connecting people interested in the conservation and environmental sustainability of Deer Lake
- ✓ Evolving a long-range Lake Management Plan
- ✓ Supporting Sustainable Development
- ✓ Protecting property values
- ✓ Protecting Deer Lake's pristine eco-system: water levels and quality, pollution prevention, preserving shorelines, protecting fish and wildlife habitat, reducing invasive species
- ✓ Exchanging ideas on safe boating and water activities
- ✓ Providing Neighbourhood Watch programs
- ✓ Carrying on research and investigation into problems connected with the use and development of property on Deer Lake, or having impact on Deer Lake
- ✓ Discounted insurance rates, Cottage Life, Boatmart, etc. through our paid membership in Federation of Ontario Cottagers' Association (FOCA)
- ✓ Keeping members up-to-date on community, political, safety and environmental issues, through communications such as AGM, website, social media, newsletters.
